* Congress timing:

Due to the early starting time of the WUCC Opening Ceremony, it is necessary to start the Congress meeting an hour earlier than previously announced. We apologize for this change in the schedule and hope that it will not excessively inconvenience our delegates.

Conference call option: We are planning on organizing a conference call option to allow members who wish to participate remotely to vote on the voting items included on the agenda. The starting time of the call is 11:30 a.m. local time (03:30 a.m. UTC) and it will last for a maximum of 45 minutes. The call will include summaries of agenda items 3, 5, 6, 7, and 8 and voting on these items. If you wish to participate in this call, please send an e-mail to Juha Jalovaara (president@wfdf.org) to register for the call and receive details on how to join the conference.

WFDF Workshop meeting on Tuesday, November 14th.

A WFDF workshop meeting will be held at the Superturf clubrooms at UWA Sports Park on Tuesday, November 14th 5:00-7:00 p.m. The topic of the meeting will be WFDF within the Olympic movement and it will start with a presentation of the incentives, challenges and requirements that participation in the Olympic movement poses for WFDF. The presentation will address topics such as financial implications and the anti-doping movement. After this, time will be available for questions and open discussion.

The meeting will be open to WFDF Congress delegates and all tournament participants.
