Hello Volker and Karina,
Thank you so much for the experience Thailand team have at the AOUGC 2019. We are highly committed to the sport and really want to go to international stage. Every WFDF events as possible.
As you know that, we are working with the Sport Authority of Thailand to get recognition as National Sport Association, and thank you so much of the letter endorsing us.

However, Sport Authority of Thailand (SAT) questioned if Thailand Flying Disc Association is a regular member of WFDF. Therefore, I would like to ask you to issuing another letter that TFDA is a regular member of WFDF. We are happy to pay the membership fee and providing you any documents.

The Sport Authority of Thailand (SAT) look at WFDF website and still notice that TFDT is a provisional member association. As I informed you that TFDT and TFDA is already united. Therefore, could you put TFDA on a regular member on WFDF website? Did WFDF Congress approved TFDA as a regular member? If not, please let me know what we should do. We really want to develop the sports in Thailand and attend as many WFDF event as possible.

Subject: Request for letter of approval for WFDF regular membership for Thailand Flying Disc Association

Dear President and Executive Director of the World Flying Disc Federation,

Merry Christmas and a happy new year, first of all, we are highly grateful that we had a chance to meet and have dinner with both of you during the Sport Accord 2018 at Central World, Bangkok. After the very fruitful discussion, we have run a lot of activities to promote flying disc sports in Thailand including sport demonstration, organizing competition, running a clinic for beginners, community outreach program, equipment distribution, organizing the national championships and sending Thailand team to participate in regional tournament. The annual activities report is attached with this email.

We also attached the document to indicate our unification between Thailand Flying Disc Team (TFDT) which is the association recognized as a provisional member by WFDF, and Flying Disc Association (FDA) which has been authorized by the Sport Authority of Thailand as a sport association under the Thailand law (Thailand Sport Act, 2015). In order to promote flying disc sport in Thailand effectively and avoiding conflict between entities, TFDT and FDA have a decision to merge and form Thailand Flying Disc Association (TFDA). The constitution of TFDA has been approved from representatives from club members on January 19, 2019.

We are writing the letter to WFDF for having WFDF to approve our new merged association (TFDA) as a regular member of WFDF. The WFDF approval letter is a requirement for TFDA to present to the Sport Authority of Thailand (SAT), which is the governing body for all national sport association in Thailand. Then the SAT will make a decision whether to approve TFDA as the national sport association according to Thailand Sport Act, 2015). As the national sport association recognizing by the Sport Authority of Thailand, TFDA will get right, benefit and status similar to other national sport associations in Thailand both Olympic Sport and non-Olympic Sport. With the support and status recognized by SAT, TFDA will be able to access more resources in promoting flying disc sport in Thailand and increase more participation in international events recognized by WFDF, continental association, and regional association. In addition, it open door for flying disc sport to be more aware in the region which may lead to the inclusion of flying disc sport in multisport events such as Asian Games, Asian Beach Games, Southeast Asian Games, etc.

We look forward to having WFDF consideration in our truly intention to promote flying disc sports among people in Thailand and also a strong commitment to the movement on international stage under WFDF cooperation and supervision.

Dear Mr. Volker Bernardi,

On behalf of our Board of Directors and members, the Flying Disc Team Thailand (FDTT) would like to submit its application to become provisional members of the World Flying Disc Federation. Ultimate has been played in Thailand since 1997 and every year we continue to grow.

Our top players are now very respected throughout the region and we regularly send competitive teams to international tournaments. Our own annual tournament is well-known for bringing a diverse, international field of players together in one of the most spirited tournaments around. Our player development program is gaining momentum and features regular clinics and inter-organization competition amongst staff from Thai Government Savings Bank and the Bank of Thailand. We also have around 90 players who regularly take the field in pickup games and other events around Bangkok, Chiang Mai and now starting in Samui.

The FDTT is well-organized and sustainable financially. We are currently run by an interim board of directors (a president, secretary, and treasurer) as we prepare for board elections in May 2017. Financially, we collect player fees, pursue sponsorships and use tournament fees revenue to expand our program. In the future we are looking to continue to expand our player base and share flying disc sports with the wider Thai population.

In 2017 one of our key highlight will be to take the field in a WFDF-sanctioned event; Asian Oceanic Ultimate and Guts Team Championships.

Thank you for considering our application. Please do not hesitate to contact us.

b. Brief history of flying disc activity within the country

Organized flying disc in Thailand started back in early 1998 when a lawyer named Gary Eisenberg started organizing regularly gathering of few expats with international flying disc experience. The beginnings were humble, with often 2-4 people showing up at Lumpini Park, Bangkok’s iconic park, to throw the disc. In the initial year, members used email, advertising flyers and word of mouth to attract new members. We also tapped into the expat sports Teams, pubs, social groups and moving companies to get new recruits. A missionary church group led by Pete helped to provide many Thai players early on. As more joined in we were able to have small pick-up games and later found a better field at Colgate near Klong Toei. Due to close knit nature of Bangkok and Chiang Mai; many people travel between Bangkok and Chiang Mai for work, word started to spread and we were able to gather a group to throw disc in Chiang Mai as well.

It took time to grow to have full practice games both in Bangkok and Chiang Mai, however, before too long we were ready to join international tournaments. This inspired more local Thais to join. Our first international tournament was in 1998 in Hong Kong. We made it to the finals and lost in a close game against the host team. Local tournaments were first held in Phuket. In 2001 we hosted our first international tournament in the spirit of Thailand. This year we will be hosting our 16th Annual Bangkok and 11th Annual Chiang Mai Hat tournament.

c. Brief History of the Organization

Flying disc sport in Thailand grew organically in two sister locations in Bangkok and Chiang Mai. Both Teams embody the integrity and spirit of the game through honesty, inclusiveness and a culture of positive play. Bangkok and Chiang Mai are truly sisters Teams with overlapping players (many travel between two cities for work) and have historically jointly field Thai teams to international tournaments.
Bangkok Soi Dawz is made up of a group of friends, locals and expats with ages ranging from 16-over 60 years of age and abilities. We have been playing together since 1998. Bangkok Soi Dawgz history dated back to 1998 when our Founder, Gary Eisenberg, arrived in Thailand and discovered there was no ultimate in Bangkok. With his passion for the game Gary quickly found a few fellow players and pulled together flying disc throwing session, and the first Soi Dawgz pick-up session. Popularity for the sport grew quickly with the first international tournament participation took place in 1998 in Hong Kong. In September 1999, the Dawgz also fielded a full team to Singapore and took 3rd place out of 10 teams. As Ultimate expanded its reach throughout Asia in 2000, so did the Dawgz. Stray Dawgz made it to Bali and Shanghai while full teams stormed into S’pore (3rd, again, plus the coveted party award!) and HK (a strong first day, a seriously hung over second, but did win the spirit award!). In 2001, the Dawgz hosted the first annual Huck ‘n’ Howl Hat Tournament and plan to field teams for the other regional tourneys as well.

Chiang Mai Lanna-nana is true to the spirit of flying disc; consisting of a group of friends representing a wide diversity of cultures, backgrounds, ages, and ability levels playing together in Chiang Mai since 2005. Since its formation members of Chiang Mai participated alongside Bangkok Soi Dawgz to various international tournaments. In 2012 it fielded the first Chiang Mai Team mixed team called team Lanna-nana as a way for Chiang Mai players to gain more experience playing at a highly competitive level. The team derives its name from, Lanna, the ancient kingdom of Northern Thailand, of which, Chiang Mai is its capital. Naming our team Lanna-nana represents both our pride in hailing from Chiang Mai as well as our team’s fun-loving spirit on and off the field. Lanna-nana can be seen playing together locally in Chiang Mai and in numerous tournaments around Southeast Asia.

Today, both Bangkok and Chiang Mai continue to grow its player base and participate independently as well as jointly in various international tournament. Most recently, Bangkok and Chiang Mai fielded a joint Thai team to Manila Spirits 2016 and won the tournament Spirit Award (out of over 60 other international teams), truly representing fair, positive, competitive and inclusive play.
2. Description and Evidence of Flying Disc Activity

2016 marked an exciting year for Thailand ultimate Frisbee. In February 2016, we hosted our 15th Annual Bangkok Hat tournament which drew 300 players from over 31 countries. The Bangkok Hat mark one of the most anticipated tournaments all around Asia. In April 2016, we also hosted the 10th Songkran Annual Chiang Mai Hat tournament which also draws 150 people across over 20 countries. In August 2016 Chiang Mai once again hosted its Beach Hat Tournament where over 70 players converge for a weekend of competitive and lively beach tournament at the Chiang Mai Tubing Team.

In addition, in September 2016, Thailand hosted the 5th Mekong Cup tournament in Bangkok, where we fielded 4 Thai teams (3 from Bangkok and 1 from Chiang Mai) against teams from 7 other countries in the region. Members of the Thai team were ranged in age and familiarity with ultimate.

Furthermore, in November 2016, Thailand sent the first team in over ten years to the Philippines to compete at Manila Spirits and won the tournament Spirit Award, truly demonstrated our value of the fair, positive, inclusive and competitive play. These tournament hosting and participation provide a great opportunity for our local players to gain experience and opportunities to meet and exchange knowledge from players abroad; both on spirit of the game, techniques and strategies as well as cultural learning.

Finally, Bangkok and Chiang Mai hold regular pick-up and practices. In Bangkok, we have average of 8-10 girls and roughly 20 guys participate in weekly pick-up sessions throughout the year. In Chiang Mai, bi-weekly pick-up sessions are organized with roughly 20-30 players participating in each session.

b. Communications
We primarily use Facebook for communication to our members and have over 1,000 members shared between Bangkok and Chiang Mai pages. We also use Facebook Group Messaging and LINE Group Chat for internal communications with our members.

d. Media Attention

While we have not been appearing in traditional news channel, our Prime Minister has made it his mission to publicize flying disc as something members at Government House should take up.

**e. Development**

Since the first tournament hosted in Thailand, we have participated in at least one international tournament a year to Singapore, Malaysia, Hong Kong and Manila. On several occasion (increasingly over time) we have been able to field multiple teams to these tournaments under the banner of Bangkok, Chiang Mai and combined Thailand team. Thai teams are known in the region to win party awards as well as spirit awards.

*Contribution to Regional Development:* In May 2011, Pieter Funnekotter along with the support of several friends from the Mekong region spear headed the organization of the Mekong Cup, which to date has become an iconic annual tournament in the region aimed to promote development of Team teams in the region (Thailand, Cambodia, Vietnam, Lao and Myanmar). The Mekong Cup was first born in 2011 and hosted in Bangkok for the initial two years. The 3rd, 4th and 5th tournament have been rotated to be hosted in Phnom Penh and Ho Chi Minh City. This year marked the 6th annual Mekong Cup and was once again hosted in Bangkok and attended by 4 Thai-based teams along with teams from Cambodia, Lao, Vietnam, Myanmar, Malaysia, Guam and Singapore.

*League Development in Bangkok:* In the summer of 2003, David Beller organized play in the form of leagues to promote growth for the new players in Bangkok. The league formation included four teams with about 15 players each. Almost half of the players were brand new or in their first year of playing. With that first successful season, in the following few years, there would be 2 short seasons of league play for each year. The level of play and the knowledge of the rules made tremendous growth. Since 2008, however, with changes in political situation, players moving, and lack of affordable fields, the league play has been limited to one season a year or if any at all. There is interest and momentum in bringing this back.

*Outreach Development in Partnership with DARE Network:* In 2008, the organizers of the annual Bangkok Hat was looking for an outreach organization to help support. We were referred to an organization called DARE Network (from Canada) who have been working with the Burmese Refugees (displaced ethnic people) along the Thai border. DARE wanted to provide activities for the teenagers to stay healthy and serving as a recruiting tool to help educate them about drugs and alcohol. It is such a great cause and relationship that we’ve been sticking with this project ever since. The tournament would have a collection of discs, shoes and money donated to DARE Network to give to the teens or to run clinics and tournaments for different camps through the years. When possible (due to political logistics), some players would make the trip to the camps to help DARE run clinics and tournaments for these teens. There have been about seven of these trips so far. In all, about 500-600 teens got the chance to toss the discs in these camps. We plan to continue to support with the continuation of Bangkok and Chiang Mai annual hat tournaments.

**f. International Involvement**

This year we sent teams to the 6th Mekong Cup hosted Thailand as well as to Manila Spirits hosted in the Philippines. Our 4 Thailand teams to Mekong Cup consisted over 20 Thai nationals, 35 long-term expatriates and close friends of Thailand ultimate. There were impressive
number of women players both Thai nationals and expatriates represented. The teams were highly competitive against 8 other regional teams, with one of the Thai teams finishing 2nd place.

In November 2016 at Manila Spirits, our team made up of 9 Thai nationals, long-term expatriates residing in Thailand, and friends who have either lived in Thailand previously or are currently playing with other Mekong member countries. We played competitively and also received the tournament Spirit Award. In the previous year, we also sent two teams to Vietnam to compete at Mekong Cup as well as the Malaysia Ultimate Open.

g. WFDF Events

We are planning on sending one team to compete in the mixed division of the Asian-Oceanic Ultimate Team Championships in 2017.

c. Board of Directors/Officers (Interim)

President: Tri Le
Tri Le is an American expat that has been living in the Kingdom of Thailand since 2003. He was dragged by his colleagues to a Soidawgz pick up in September of 2003 (at the ripe age of 30). He has not stopped playing the sports since (despite the aging body). Tri has been heavily involved with the ultimate community for the last 10 years. He’s been involved in the organization and logistics of running leagues, pick ups, traveling teams for tourneys, Mekong Cups, 1-day hats and the Annual Bangkok Hat. He’s been the TD for the Bangkok Hat since 2011. It can be a lot of work but he loves the game and the people of the community.

Treasurer: Derek Porter
Derek is from the USA but grew up in Thailand. In grade 8 he was introduced to Ultimate in the form of a ragtag pickup by a teacher at his international school, where played from 2002-2006. This first experience hooked him for life despite having some periods where living overseas caused him to be unable to access the sport. When he attended university in the USA in 2008, he quickly became involved in the Disc Sport scene and was involved in leading the university Team team from sophomore year onward, captaining as well as serving as president. During this time the team went from having very little structure and having never won a regional tournament, to being a solid team that won two tournaments in his final year leading the team. In 2012 the Adelphi University Sports and Recreation Department awarded Derek with the Team Leader of the Year for exemplary leadership on and off the field. Today Derek lives and works in
Thailand with a local not-for-profit and continues to be an active member of the Ultimate Frisbee community both locally and internationally by helping organize pickup weekly, being involved in the planning of local tournaments (including the Mekong Cup and Bangkok Hat), functioning as the primary accountant for Bangkok funds, as well as attending an average of four international tournaments per year.

Secretary: Vansa Chatikavanij
Vansa started playing ultimate in 2015 when she first moved back to her home country, Thailand. Having grown up playing multiple competitive sports and outdoor activities, Vansa found the flying disc community to embody the right balance of sportsmanship and competition. While her flying disc exposure has only recently started, Vansa has participated in over 10 international tournaments within the first year or so.

Officer: Ekk Jampa
Ekk started playing ultimate in 2006 when friends from the US invited him to go to Payap University when he found out that there was a pick up game, so I went to the field with him and I’m hooked so since then I’ve been involving with the Chiangmai Ultimate community, we had the dinner and some activities together etc. I’ve joined the team from Bangkok, Soidawgz couple years to compete in Malaysia, Singapore for a couple year until My friends and I started forming the team, Lannanana together in 2012 and went to the Malaysia Ultimate Open 2012 we finished 7th place. Again in 2013 we went to AOUCC represented Thailand Team , Naga together again in Singapore. And I began the journey to attend the tournament in South East Asia and make so many friends around the world thru ultimate, as it’s the best way to meet people and enjoy the great community.

**g. Bank Account**

Thailand Ultimate currently has two separate Bank accounts in Bangkok and Chiang Mai; the reason for two accounts is due to regional distance between the two main hubs and the various times when players for these hubs don’t align. It was deemed more practical to have two accounts. We cannot open an account in the association’s name due to bank regulations.

**h. Corporate Status**

We are not-for-profit but are not incorporated with the government and have no plans to be in the near future. Currently our non-governmental organization (NGO) legislation, coupled with the current military government structure, makes formal recognition as an NGO very expensive and difficult. We do not have any commercial connection.

**i. Governmental Recognition**

We are not recognized by any government sports agency and are not plan in seeking any recognition in the near future. This is a very expensive process and requires high level of political lobbying which is currently not possible given the current status of our military government.

Volker Bernardi  
Executive Director  
World Flying Disc Association (WFDF)  
Enggasse 2a  
D – 55296  
Harxheim, Germany

Dear Sir,

I am writing to recommend that Thailand Flying Disc Team be admitted to the World Flying Disc Federation.

We have had connections with the Thai ultimate community for many years now. They have attended our Malaysia Ultimate Open and we attended the Mekong Cup tournament when it was hosted in Bangkok in 2016. Bangkok ultimate has also been hosting one of Asia's most famous hat tournament known as Bangkok Hat for 17 years, drawing participation of players from over 20 countries.

Together, the Bangkok and Chiangmai leadership team have worked hard to grow disc sports across the two cities as well as outreach programs to local universities and remote areas, and it is clear that their efforts are paying off.

Thailand will be a great addition to the Asian and world flying disc communities and we fully support their WFDF application.

If you have any questions, please don’t hesitate to contact me.
